

## LOCAL NEWS.

**HYDRULIC STEAM FIRE ENGINE COMPANY.**—The regular meeting of the Hydrulic Steam Fire Engine Company was held last night, Richard L. Carne, 1st Vice President, in the Chair, and Harry C. Clark, Secretary. A bare quorum was present.

Owing to the absence of all the members of the Executive Committee, no report on candidates was made, and the names of two were laid over until the next meeting in consequence.

The Chair, from the Executive Committee, reported an application to the Board of Wardens for new section pipes.

The resignation of F. L. Entwistle was read and accepted.

Mr. J. H. Young, from the special committee for the purpose, reported that it had been found that the triangle could be hung with safety to the hall ceiling by some considerable changes in the cupola, &c., and that the Board of Wardens had been requested, through the Chief Engineer, to have those alterations made, if it was considered desirable to use the triangle.

The Chair called the attention of the company to the recent action of the Relief Hook and Ladder Company in fitting up its hall with croquet, checkers, chess, &c., and suggested that the same thing could be done by the Hydrulic. The troublesome members whom it was not desirable to have about the house had been gotten rid of and there would be no trouble in having a club room. It would help to keep the company up, and keep the young men away from bar-rooms and other dangerous places.

On motion, Messrs. H. J. Nevett, T. H. Ficklin and H. C. Clark were appointed a committee to report the expediency and cost of the movement and the probable subscriptions which could be obtained.

On motion of H. P. Berkeley, the engineer and driver were instructed to allow no one but a member of the fire department to lounge about or frequent the engine house and stable. This resolution was warmly advocated by H. J. Nevett and was warmly opposed by T. D. Dix and G. W. D. X. and some very spicy remarks were indulged in.

The meeting then adjourned.

**POLICE REPORT.**—The following cases have been reported at police headquarters since yesterday afternoon:

Frank Brown and Mary Banner, wife No. 2, for an assault on Marion Brown, wife No. 1, all colored, and canal boat people, were fined and discharged.

Bettie Lane and Virginia Lane, colored, for disorderly conduct in Marshall Hall, corner of King and Henry streets, were dismissed, the latter upon the payment of costs.

Mollie Minor and Charles Minor, colored, for disorderly conduct, and Jenny Bell, colored, for the same offence, were locked up for examination.

The above cases were before the Mayor.

Samuel Conners, living in the county, for an assault upon his wife, sister and brother-in-law, was arrested on a warrant issued by a colored justice named Pendleton, and was to have been tried this afternoon.

**FAIRFAX PRIMARY ELECTION.**—A primary election was held by the Conservatives of Fairfax county, yesterday, to nominate a candidate for the House of Delegates. But little interest was manifested in the result in the section of the county nearest this city. The vote at West End was as follows: W. H. F. Lee, 15; Judge Cokerille, 7; Walker Millan, 4; J. K. Pugh, 6; J. P. Machen, 7. At Accotink the vote was: Machen, 12; Cokerille, 7; Pugh, 5. At Pulman's and Moore's, in Mount Vernon district, Machen is reported to be ahead. At Thornton's and Vienna E. M. Lowe received a majority of the votes cast; but at Centerville and the Court House, Judge Cokerille got such large majorities that he is believed to have received the nomination.

**GOOD TEMPLARS.**—To-day was a grand time among the temperance people of this section of the State and the District of Columbia. Ten car loads of them from Washington and two from this city left at eight o'clock this morning for Leesburg to participate in the grand temperance mass meeting that was held there. Rev. W. S. Hammond, of Washington, was the orator of the day, and among other speakers were Major Devine and D. P. Holloway, of the same city, and Dr. Walker, of Baltimore. The movement originated among the Good Templars at Leesburg, and invitations to join them were sent to all the societies and orders in the vicinity of that place and Washington, and a large crowd was present on the grounds. The meeting will last during the whole day, and the Washington and Alexandria people will arrive home about eight o'clock to-night.

**REQUISITION REFUSED.**—Stuart Allen, colored, who forfeited his bail and ran away pending a trial on an indictment for breaking into and entering an outhouse adjoining a dwelling house, having been heard from in Pittsburgh, City Sergeant Lucas wrote to Governor Kemper for a requisition for his arrest, but the Governor declines to issue one, upon the proper ground that the State is now rid of his presence and that there is no necessity for bringing him back here, especially as the process required to effect that purpose would be at the State's expense.

**FRUIT FESTIVAL.**—The contemplated "Fruit Growers' Excursion," will not take place on the 13th proximo, but a "Fruit Festival and Basket Picnic" will be held in the River Park of W. H. Surden, adjoining Collingwood, on the same day. Monday 13th proximo, to which the friends of the people of Collingwood, and such others as are interested in the production of fine fruit in the valley of the Upper Potomac are invited. Steamer Mary Washington leaves her wharf here at 9 1/2 a. m.; leaves Collingwood 3 p. m.

**THE WARRENTON CAMP MEETING.**—All the arrangements are completed at the Springs. The platform and seats have all been fixed, and the grounds put in thorough order. Half-rate tickets are for sale at the railroad office. A special train will leave Alexandria on Saturday evening, at 8 p. m., reaching the Springs at midnight; returning, will leave the Springs at 1 a. m. Monday morning, and reach Alexandria at 5:30 a. m. By this arrangement visitors can sit and the entire Sunday at this beautiful resort.

**COLORADO MARRIAGE.**—The crowds of colored people seen on Princess street last night were attracted by the wedding of a colored sailor named James Hines, from the West Indies, and a colored woman named Mary Morris, alias May Myers, well known in "Petersburg" and that vicinity. The captain of the vessel to the credit of which Hines belongs was present at the wedding, and the bride will sail with her husband for Boston as soon as the vessel is loaded.

**SORA.**—A bird belonging to the variety known as king sora, so young that it was unable to fly, and that consequently must have been hatched in the marsh in which it was found, was caught and killed by a dog near the city this morning. The sora and reed birds, too, that are now shot are so poor that they are hardly worth picking. Baubles of them, sora and reed birds mixed, were hawked about the streets yesterday at 37 1/2 cents a dozen.

**INTERNAL REVENUE APPOINTMENTS.**—Jas. S. Anderson and E. A. McMahon have been appointed gaugers in the U. S. Internal Revenue Service for the Sixth District in Virginia.

**TOURNAMENT.**—The Washington Star says, on Monday, a grand tournament took place at the National Park, (near the Insane Asylum,) the prizes for which were a saddle, bridle, silver-mounted spur and the return of the entrance fee. The chief marshal was Harry Naylor, the judges, I. Fenwick Young, T. Edward Clark, Joseph R. Young, Chas. White and Joo. H. Russell, aids, Wilfred Marshall and Thos. Naylor. This was a three ring tournament, and each knight having three rides made a score of nine possible. The tilting resulted as follows:—Knight of Sylvia Glen, G. Stewart, 4; Knight of Third Term, C. White, 7; Knight of Oxn, C. Monroe, 8; Knight of the Hills, A. P. Hill, Jr., 8; Knight of Montgomery, W. Buford, 3; Knight of Silver Wave, D. Cissell, 6; Knight of Echo, W. Brooke, 7; Knight of Happy Thought, W. Striker, 5. The Knights of Oxn and the Hills having tied rode off, and after making two more ties of two and three each, the third tilt resulted in the latter taking three rings and Oxn one. Third Term and Echo tied, and rode off for the third prize, the former winning. In the absence of Mr. J. E. Norris, ex Gov. Shepherd made a few remarks in announcing the result, and the prizes were awarded as follows: First prize, Knight of the Hills, A. P. Hill, Jr., sixteen years of age, saddle; second prize, Knight of Oxn, C. Monroe, bridle; third prize, Knight of Third Term, C. White, silver-mounted spur; and for a fourth prize the entrance fee was returned to Knight of Echo, W. Brooke. The young champion selected Miss Maud Young as the queen, and in the evening a ball took place.

**THE SENGEBUND.**—At the reception given to the Richmond Sengebund in Washington last night several Alexandrians were present, among whom were noticed Mayor Kemper, ex-Councilman Porter, and Mr. Justus Schneider. The Washington Republican says Mayor Kemper responded in true Virginia style to the seventh toast, "The State of Virginia—Great as she is in the past, her future is yet grander, for her resources are boundless." Among other things he said that Virginia was rapidly recuperating from the late civil strife, by which she had been rent from centre to circumference.

**THEFT OF A WAGON.**—An unknown colored boy ran off this morning with a small hand wagon that had been left for a moment standing on the sidewalk at the corner of Pitt and King streets. It belonged to a son of Mr. Geo. Graham, who instantly reported his loss to Constable Gray, but though the lost wagon was tracked as far as Porter's Garden, all traces of it were lost there.

**ILL.**—Mr. John T. Evans, the proprietor of the old established hat store, and Mr. Thomas Whittington, clerk of the market, two of the oldest residents of the city, are lying extremely ill at their respective residences, the former so low that his life is almost despaired of.

Since the above was written, Mr. Evans breathed his last about three o'clock this afternoon. He was nearly seventy-five years old.

**COUNTY RADICAL COMMITTEE.**—At a meeting of the Committee, held at the old Court House, yesterday, it was determined to hold a convention in this city on the 15th inst., for the purpose of nominating candidates for the House of Delegates, and the several wards of the city and municipal districts of the county were directed to hold meetings prior to that time to elect delegates to the same.

**RELIGIOUS REVIVAL.**—The Methodist Episcopal Church, South, was well filled last night with a congregation interested in the revival services now in progress there by Rev. Dr. Rosser. Among those present were the pastors of the Union Presbyterian, 24 Presbyterian and Methodist Protestant Churches. One penitent appeared at the altar.

**DANGEROUS SPORT.**—The gunners who congregate on the causeway of Hunting Creek bridge nearly every afternoon and shoot at the reed birds that then fly over that place render the passage of that bridge by horses a very dangerous mode of travelling.

**TOURNAMENT AND PIC NIC.**—A grand tournament and pic-nic will be held at the house of Mr. J. H. Cook, on the opposite Maryland heights, on the 23rd inst.

**PUBLIC SCHOOLS.**—All the public schools except the colored male, are filled to overflowing, and it will probably be necessary to increase the teaching force.

## LOCAL BRIEFS.

Yesterday being Court day in Warrenton attracted a large number of people. Several pieces of property were put up for sale—but most were withdrawn on account of lowness of bids. The village and country are still full of visitors. On Monday evening Pere Primrose was arrested in Lynchburg upon the charge of stealing \$25, in money from John W. Burnette, an employee of the Virginia Midland railroad.

Among the marriage licenses issued in Washington yesterday was one to Major H. and Mollie Towles, of Madison county, Virginia.

Twenty-eight car loads of cattle were shipped from the Southwest to the Northern markets Sunday over the Va. Midland railroad.

The dog-days have passed without the usual mad dog panic.

## Republican State Convention.

SARATOGA, Sept. 8.—The Republican State Convention was called to order at 11:15 this morning by Hon. E. D. Morgan, Chairman of the State Committee, who made a brief address, in which he said: "We should extend the hand of fellowship to those of our countrymen who were unfortunately led to take up arms against us, and cultivate friendly intercourse with them. Let there be no stop backward in our efforts to return to specie payments at the earliest possible day, and the period is not far remote when we shall be again rejoicing in the welfare and prosperity of our common country."

Alonzo B. Connell was elected temporary chairman, and addressed the convention, portraying the evil effects of Democratic misrule, applauding the course of Gov. Tilden in his reform measures, and declaring the Democratic party unworthy of the confidence of the people. He also referred to the Liberal party, suggesting oblivion of past differences and the holding out of the Olive branch.

A resolution was offered by G. W. Bradbreth, at the request of the New York Tribune, acknowledging Governor Tilden's services in bringing to justice the corrupt Democrats, and breaking up dishonest Democratic rings, which was referred.

Mr. Herring, of West Chester, offered the following:

Resolved, That this Convention recognizes, in the recent announcement made by the President concerning the "third term," the wisdom and patriotism of the statesman and soldier, whose candor and manliness upon the subject furnish renewed assurance of his fidelity in the high trusts reposed in him, by the people of the United States, and that the course pursued by Ulysses S. Grant upon this question must become the settled policy of the R. public as it is of the Republican party and

Resolved, That the members of the Republican party of the State of New York, in Convention assembled, declare themselves absolutely opposed to the re-election of a President for a third term.

Referred to the Committee on Resolutions.
